---

The United States moves this court to schedule a trial setting conference before the district court. With the exception of Francisco Martinez, all of the defendants in this matter have been arrested. With the exception of Isai Hernandez and Alfredo Martinez, all of the defendants in custody have appeared for their respective arraignments in the District of Alaska and have had counsel either appointed or retained to represent them. The court has set trial dates of January 25 and February 13, 2006 in this matter.

Because of the volume and nature of the discovery in this matter, the nature of the charges, and the number of defendants charged in the indictment, the United States requests an appearance before the court with all defense counsel to meet and confer with the court about the anticipated need by defense counsel for additional time to prepare for pre-trial motion practice and trial on the currently set dates. The United States requests the court set this matter on at the earliest date available so that the court can address any issues that will affect the trial dates set in this matter. The United States submits that holding this conference at the

earliest possible time will help avoid any possible delay in proceeding with the trials in this matter.

RESPECTFULLY SUBMITTED this day, December 9, 2005, in  
Anchorage, Alaska.
